Verizon, Motorola to Unveil New Droid Phones Later This Month

2022/03/22

Verizon has set an October 27 date for the unveiling of its new Motorola Droid phones, Re/code reported this afternoon. According to invitations sent to press outlets, the event will be held in New York City. Verizon is boasting that the event will change “everything you expect from a phone,” the report said. The invitation uses the plural noun “Droids,” suggesting the event will include the unveiling of more than one device. Rumors have suggested that those releases will include the Droid MAXX 2 and the Droid Turbo 2, but we’ll have to wait and see.
